Subject: Assignment of Intellectual Property Rights

I, **Nikita Kamble**, furnish this undertaking (**Undertaking**) to Mize Software Solutions Private Limited (the **Company**) pursuant to, and in consideration of the mutual rights and obligations set out under, the employment agreement with the Company dated **01 February 2023** (the **Employment Agreement**).

I hereby irrevocably assign to the Company, its successors and assigns, and the Company shall have exclusive ownership rights, including, without limitation, all patent, copyright, trade secret and other intellectual property rights, with respect to any work, including, but not limited to, any invention, discoveries, concepts, ideas or information, conceived by me in the course of my employment with the Company, and all documents, data and other information of any kind including, incorporating, based upon or derived from the foregoing, including reports and notes prepared by me during the course of my employment under the Employment Agreement (**Work**). It is clarified that Work shall include all the documents, information, data etc. as defined earlier, whether created prior to or after the date of execution of this Undertaking. Such Work will be the property of the Company, shall be considered a work made for hire and will not be used by me for any purposes other than the benefit of the Company. I shall deliver any and all such Work and material containing such Work to the Company on request and in any event at the termination of my employment with the Company, and no copies thereof shall be retained by me unless the prior written consent of the Company is obtained with respect thereto. I will cooperate fully with the Company to establish, protect or confirm the Company's exclusive rights in such Work or to enable it to transfer legal title together with any patents, copyrights, trade secret and other intellectual property rights that may be issued.

I undertake to provide a certificate evidencing compliance with the terms of this letter, if so requested by the Company.

Yours sincerely,

By:
